ABOUT MOOOI

Mooodi presents creative luxury for a well-curated life

We are serious about design, but playful in our approach. We work with designers globally and try to make their design dreams come true. To create the unexpected welcome and elicit the extra 'O'. The result is a multi-sensory and comprehensive lifestyle collection.

Mooodi, A Life Extraordinary!

Moooi takes its name from the Dutch word for *beautiful* (mooi, pronounced "moy")

The extra 'O' is intended to convey "something extra in terms of beauty and uniqueness"

HOW IT ALL BEGAN

Since 2001 Moooi inspires and seduces the world with breathtaking and innovative designs. Currently led by Marcel Wanders and Robin Bevers. Moooi has partnered with the most talented design forces of our time.

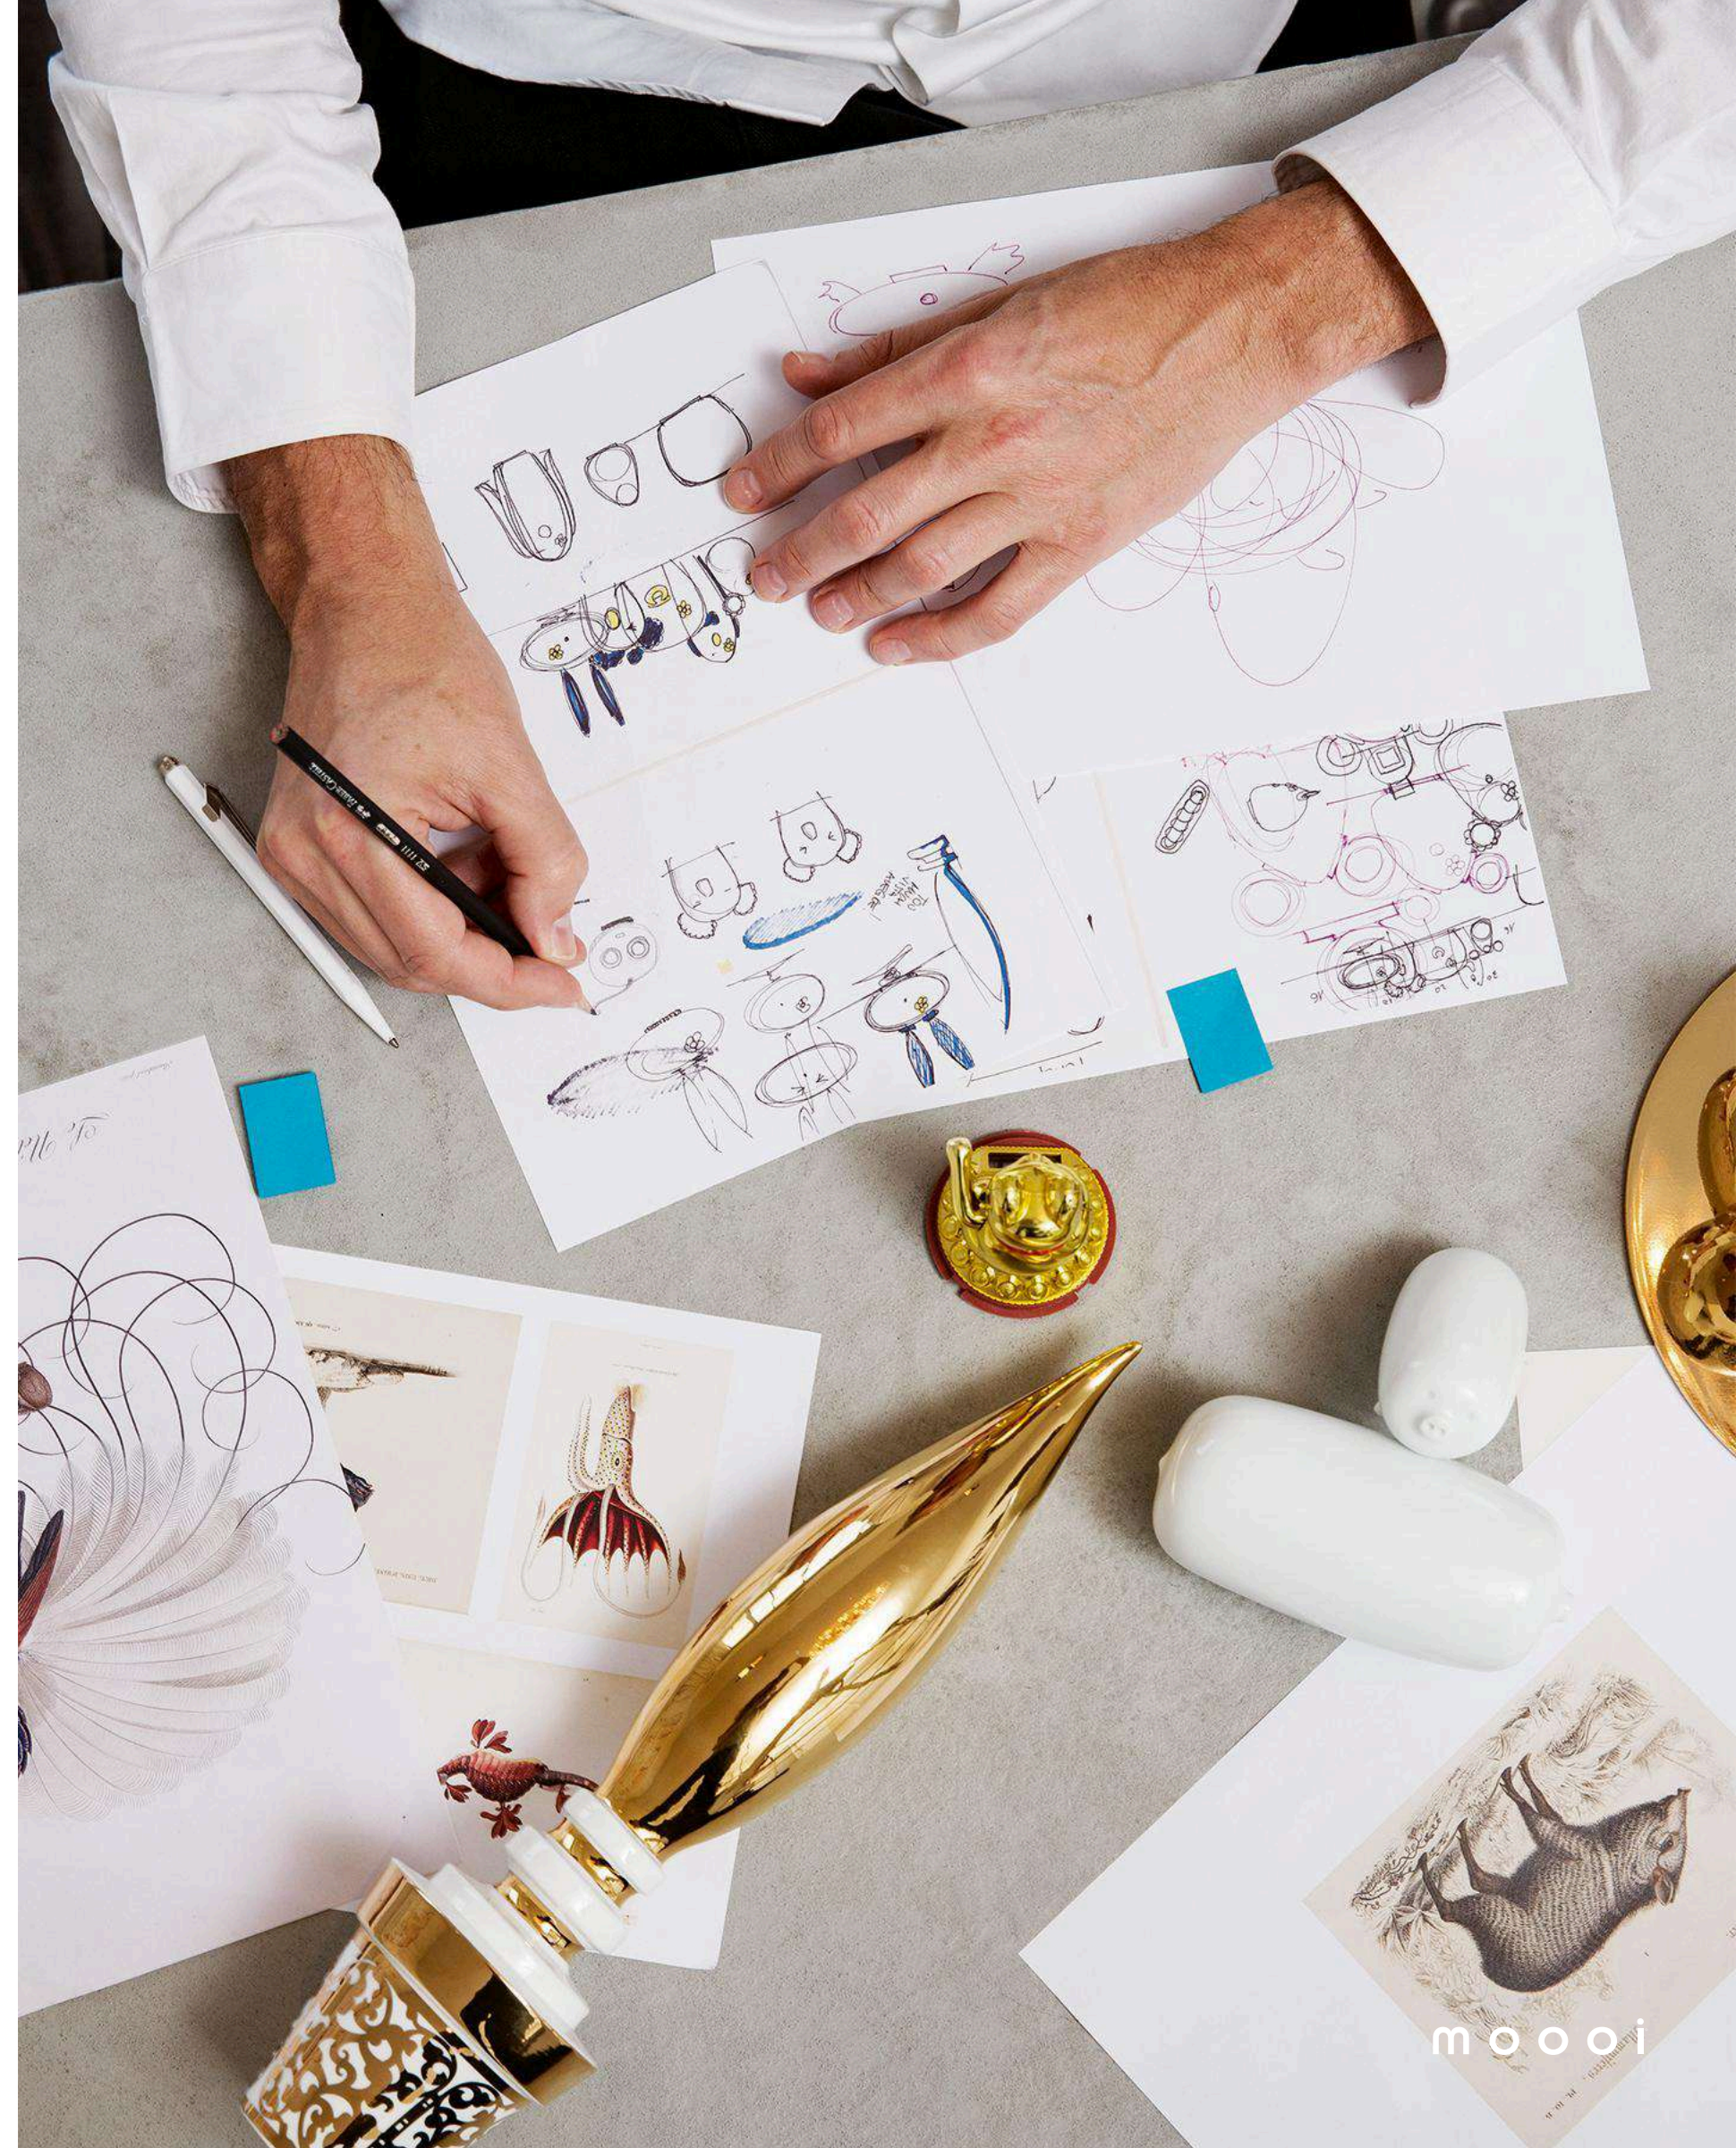

Based on the belief that design is a question of love, Moooi doesn't tell designers what to do. Moooi listens to what designers want to make and tries to realise their daring and original design dreams.

DESIGNERS

Making Designers Dreams come true

Suspended Lighting

Heracleum III Suspended

BY BERTJAN POT

Nature meets technology in Heracleum III Suspended by Bertjan Pot. This airy LED lamp is inspired by the flowering plant of the same name that can grow as high as 5 metres. The white leaves in Heracleum III Suspended ramify from one branch, creating a very technical, natural structure thanks to a technique of coating conductive layers called Electrosandwich by Marcel Wanders studio. Heracleum III Suspended comes in two sizes and four different colours. Compatible with our Wireless Wall Switch, for quick and easy dimming that gives you full control over the light output.

Raimond II

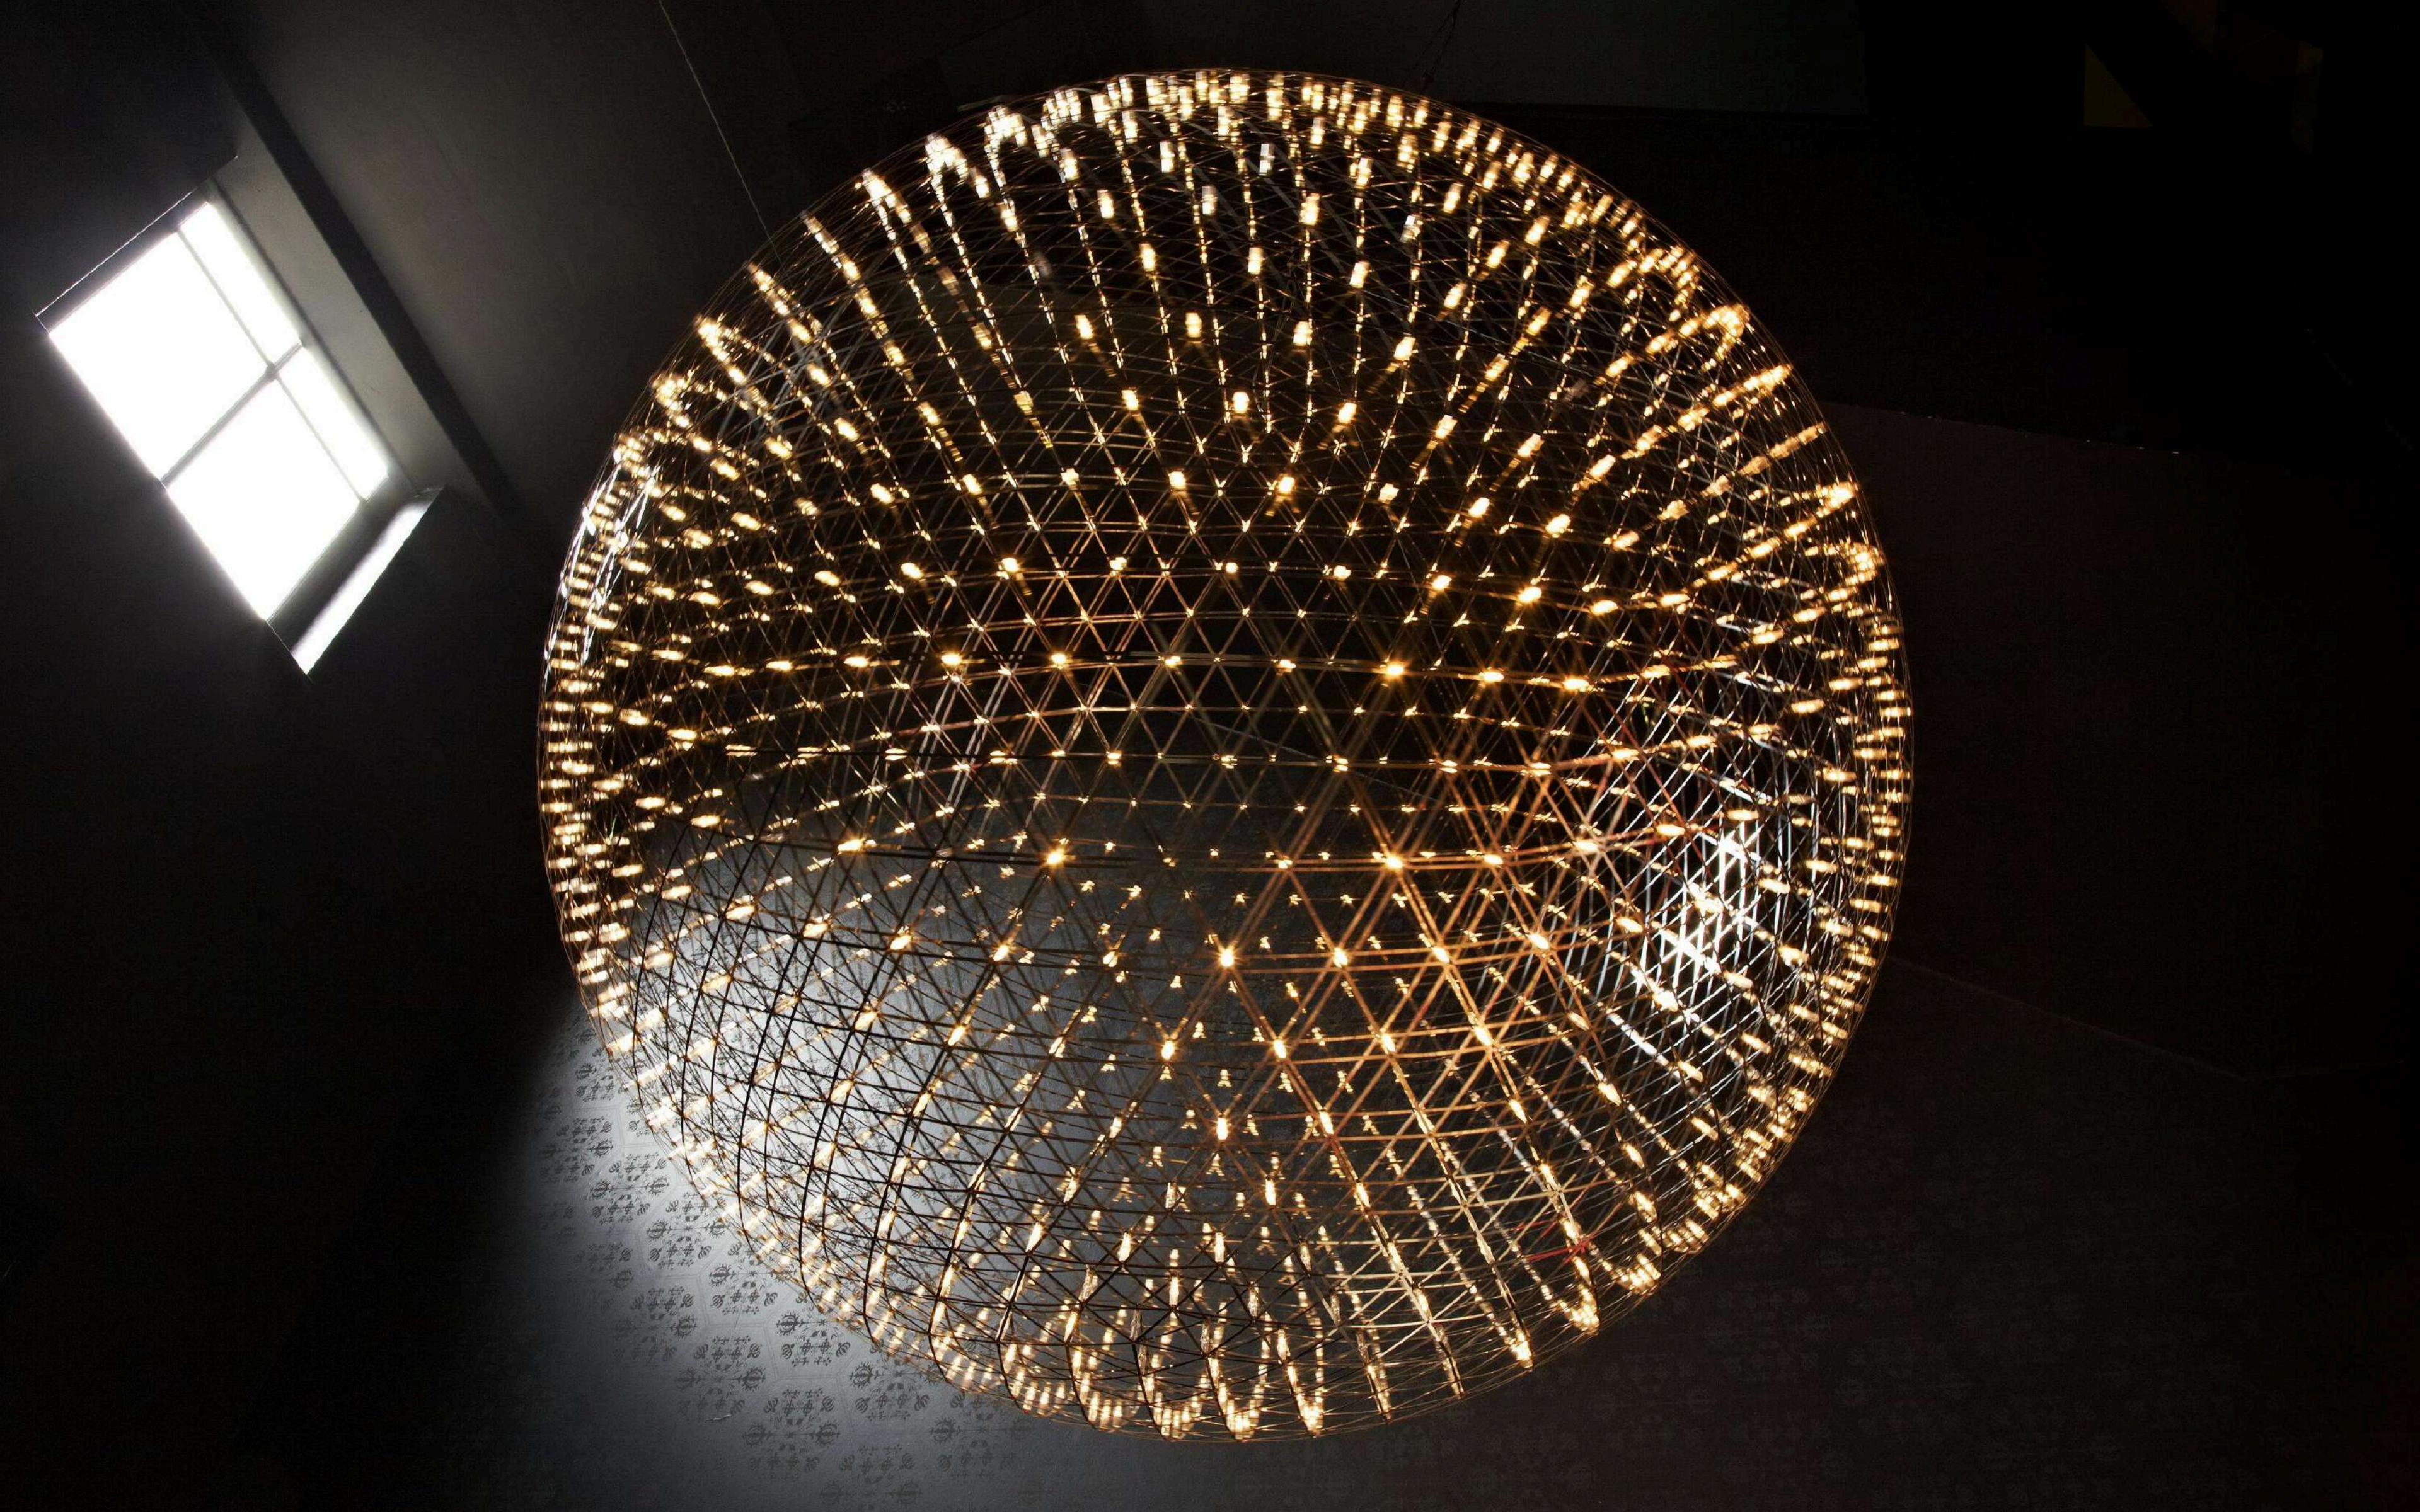

BY RAIMOND PUTS

The Raimond light family, by Raimond Puts, result from mathematical perfection and almost 40 years of patience and dedication. The shape of a geodesic dome and the mystery of prime numbers intrigued Raimond Puts. It's no coincidence that the dimension of all Raimond lights resembles a prime number. Looking at the Raimond lights feels like staring into the soft glow of a starry night. The Raimond II is available in three sizes, R43, R61 and R89.

Raimond II R127-R163-R199

BY RAIMOND PUTS

The Raimond lights: perfect spheres of mathematical ingredients punctuated by tiny LED lights. Designer Raimond Puts was intrigued by the shape of the geodesic dome and with the mystery of prime numbers. It's no coincidence that the dimension of all Raimond lights resembles a prime number. The result of mathematical perfection that brings the starry night sky into your home.

Meshmatics Chandelier

BY RICK TEGELAAR

Whoever sets eyes on the Meshmatics Chandelier will never guess what hides behind its sophisticated appearance. Designer Rick Tegelaar elevated humble wire netting by developing a machine and a set of tools to model it with accuracy. The full potential of this thin and flexible material is stretched and captured within three layers of beauty. The Meshmatics Chandelier is available in two sizes.

Random Light II

BY BERTJAN POT

Random Light family transmits a feeling of simplicity and softness in a contemporary style. The Random Light, designed by Bertjan Pot, is a strong presence in our collection since 2001. Because of how they're made, every Random Light is unique and never completely round. The Random Light family comes in black and white and is available as a suspension light and a floor lamp in varied sizes.

Non Random

BY BERTJAN POT

Old ladies call them neatly coiled balls of yarn, Kids talk about soap bubbles hanging from lightbulbs. Some say they are there to light up Arabian nights, Moooi says they're Non Random Lights. You could say Non Random by Bertjan Pot is the counterpart of the Random Light. This bubbly suspension lamp prefers things much more aligned but holds the same airy softness as its older sibling. Available in two colours and sizes. Non Random comes in black and white and is available in two sizes.

NR2

BY BERTJAN POT

An elegant, bright, lighthearted bubble dressed in a fine web of white or black thread that shines and glimmers in the light. Thanks to an integrated LED lamp, this design by Bertjan Pot subtly diffuses a soft, magic glow around the room. NR2 comes in black and white and is available as a suspension light and a floor lamp.

Serpentine Light

BY FRONT

Serpentine Light by Front is an airy suspension lamp made from elaborate twists and turns. The lighting design originated from twisting and turning a piece of paper. By playing with the tension and natural flow—discovering the limits of the different shapes paper could adopt. The dark lines create the effect of an endless upwards spiral. The flow and curve of the almost translucent material is very natural and diffuses the light evenly. Also available in a larger size (68x68x78 cm).

NR2 Floor Lamp

BY BERTJAN POT

Like its suspended family members, the NR2 Floor Lamp, by Bertjan Pot, sports an elegant and bright oval-shaped bubble of white or black thread. Thanks to the airy lattice pattern of the bubble and the sleek steel column, the NR2 Floor Lamp doesn't block any views. Put this versatile design in any place that needs brightening up, such as a dark hallway or next to your favourite reading spot. The integrated LED lamp in NR2 subtly diffuses a soft and magical glow. NR2 Floor Lamp is available in two different colours.

Filigree Floor Lamp

BBY RICK TEGELAAR

“What distinguishes a lamp from a light source?” is the question that initially triggered Rick Tegelaar to imagine and create the Filigree Floorlamp. Thanks to an elegant and dainty network of fine wires, that reminds us of delicate filigree jewelry, the translucent screen protecting the powerful LED light at the heart of the lamp is held under tension, distributing a soft light glow evenly across the room. When pointed towards a wall or ceiling, with the ornamental filigree flower structure facing us, the lamp projects a playful network of shadows to mesmerize and entertain.

Perch Light Floor

BBY RICK TEGELAAR

Look up, into the soft light, follow the fluttering sound and sparks of movement. A bird is gracefully balanced on a tall metal perch, beautiful and proud, a swinging glimmer of warm light... yet you are inside, after daylight has faded, under the spell of the Perch Light Floor Lamp!

Faroo

BY MARCEL WANDERS

The Construction lamp ultimately originates from a bright curiosity combined with expert skills, industrial tools and a touch of playful passion for vintage construction toys. As a result, the lamp's details and joints take the shape of Victorian cast iron components and become part of a base that resembles a traditional electricity pole. Enjoy a high voltage stream of inventiveness and light!

Horse Lamp

BY FRONT

True to the dimensions of a real horse, the Horse Lamp by Front brings a touch of nature in fairytale style and genuine madness. His talent to make a bold statement is so well-developed, that trying to feed him carrots wouldn't do him justice. In fact; a spotlight is what he deserves.

Nut Dining Chair

BY MARCEL WANDERS

Sitting in the warm embrace of the Nut dining chair by will make you feel protected and as precious as the most beautiful pearl in the sea. The exquisite flavour of its design and the rich pattern of its textiles distinguish it from the mass.

Zio Dining Chair

Dining at home acquires a whole new meaning with the classic elegance and contemporary comfort of the Zio dining chair by Marcel Wanders. Sitting in its solid, sculptured wooden structure and soft cushioned body makes you feel immediately at ease, ready for an exquisite meal and a sharp conversation!

Carbon Chair

BY BERTJAN POT & MARCEL WANDERS

Carbon Chair and Carbon Barstool are communal designs by Bertjan Pot and Marcel Wanders studio. The lean and light designs are made from carbon fibers drenched in epoxy resin and speak of dedicated craftsmanship in connection to high tech materials. This combination was possible thanks to the designers' personal excitement, passion and enlightenment.

Carbon Bar Stool

BY BERTJAN POT

A taller relative of the Carbon Chair, the Carbon Barstool embodies the same passion for craftsmanship, but literally takes it to another level...

Lean and light, it's the ideal stool to move with you. Whether in your own kitchen or at the pub, the Carbon Barstool always gives you "a lift" to the nearest bar.

Pooof

BY MARCEL WANDERS STUDIO

The Pooof is your perfect companion at home. Timeless, versatile, solid and soft. At first sight, the sturdiness of the firmly grounded Pooof would not let you imagine how flexible it really is. The easy-going design and height and two available sizes make the Pooof the perfect buddy for almost every sofa in the Moooi collection.

Dining Tables

Liberty Table

BY ATELIER VAN LIESHOUT

The Liberty table, designed by Atelier Van Lieshout, is a typical example of artwork turned into a design object, just like the earlier released Liberty Lounger. With the Liberty Table, Atelier Van Lieshout continues to address the New Tribal Labyrinth and “Arts and Crafts” movement with traditional craftsmanship and using simple forms.

Container

BY MARCEL WANDERS STUDIO

The first Container Table designs were introduced in 2003. Its architectural cone shape redefined modern timelessness and cleverness. The Container Table is made heavy and stable when filling it up with sand, or stones, but it's very lightweight when shipped. The material of the Container Table Classic makes it suitable for both indoor and outdoor use.

Offering endless combinations to suit your home, office, or public space, the versatile Container Family meets diverse needs. For office environments, the Container Table is also available with integrated cable management, including power sockets and USB ports for convenient device power.

Container Table

BY MARCEL WANDERS STUDIO

The Container Table , designed by Marcel Wanders, is the foundation you build your home around. This lightweight design is easy to move around, but once it's found its place and you fill up the foot with sand or pebbles, it's all strength and stability. The Container Table can seat up to ten people. Do you prefer a different colour, material or size? Configure the Container Table to your own wishes with the online configurator.

Available as a Container Table Classic, Container Table Bodhi and Container Table New Antiques.

Container Table Oval

BY MARCEL WANDERS STUDIO

The Container Table Oval, designed by Marcel Wanders. Fill the table foot with sand or pebbles to add strength and create a solid base. Container Table Oval is the solid and subdued foundation you build your home around. The Container Table Oval can seat up to eight people.

The Container Table Oval is available with a choice of Classic Cone, Bodhi, or New Antiques foot designs and comes in two sizes. The largest size features a double foot (or a wider base), while the smaller size has a single central foot.

Container Bar Table

BY MARCEL WANDERS STUDIO

The Container Bar Table, designed by Marcel Wanders, is your go-to place for a quick coffee, one-on-one conversations, or slow afternoon drinks. The ornamental base holds the elegance of antique furniture, but with a modern twist. Made from lightweight material, the table is easy to move around, but once it's found its place and you fill up the foot with sand or pebbles, it's all...

You can further personalize the Container Bar Table with the same range of foot designs, and it's also available with a square tabletop.

Obon Table

SIMONE BONANNI

Obon is a collection of three tables inspired by an ancient, earthy, irregular material: terra-cotta. With its origins lost in the mists of time, terracotta is at the base of millenary archaeological finds all over the world. These precious discoveries are evidence of our timeless creativity and desire to leave a sign, admire and ritualize.

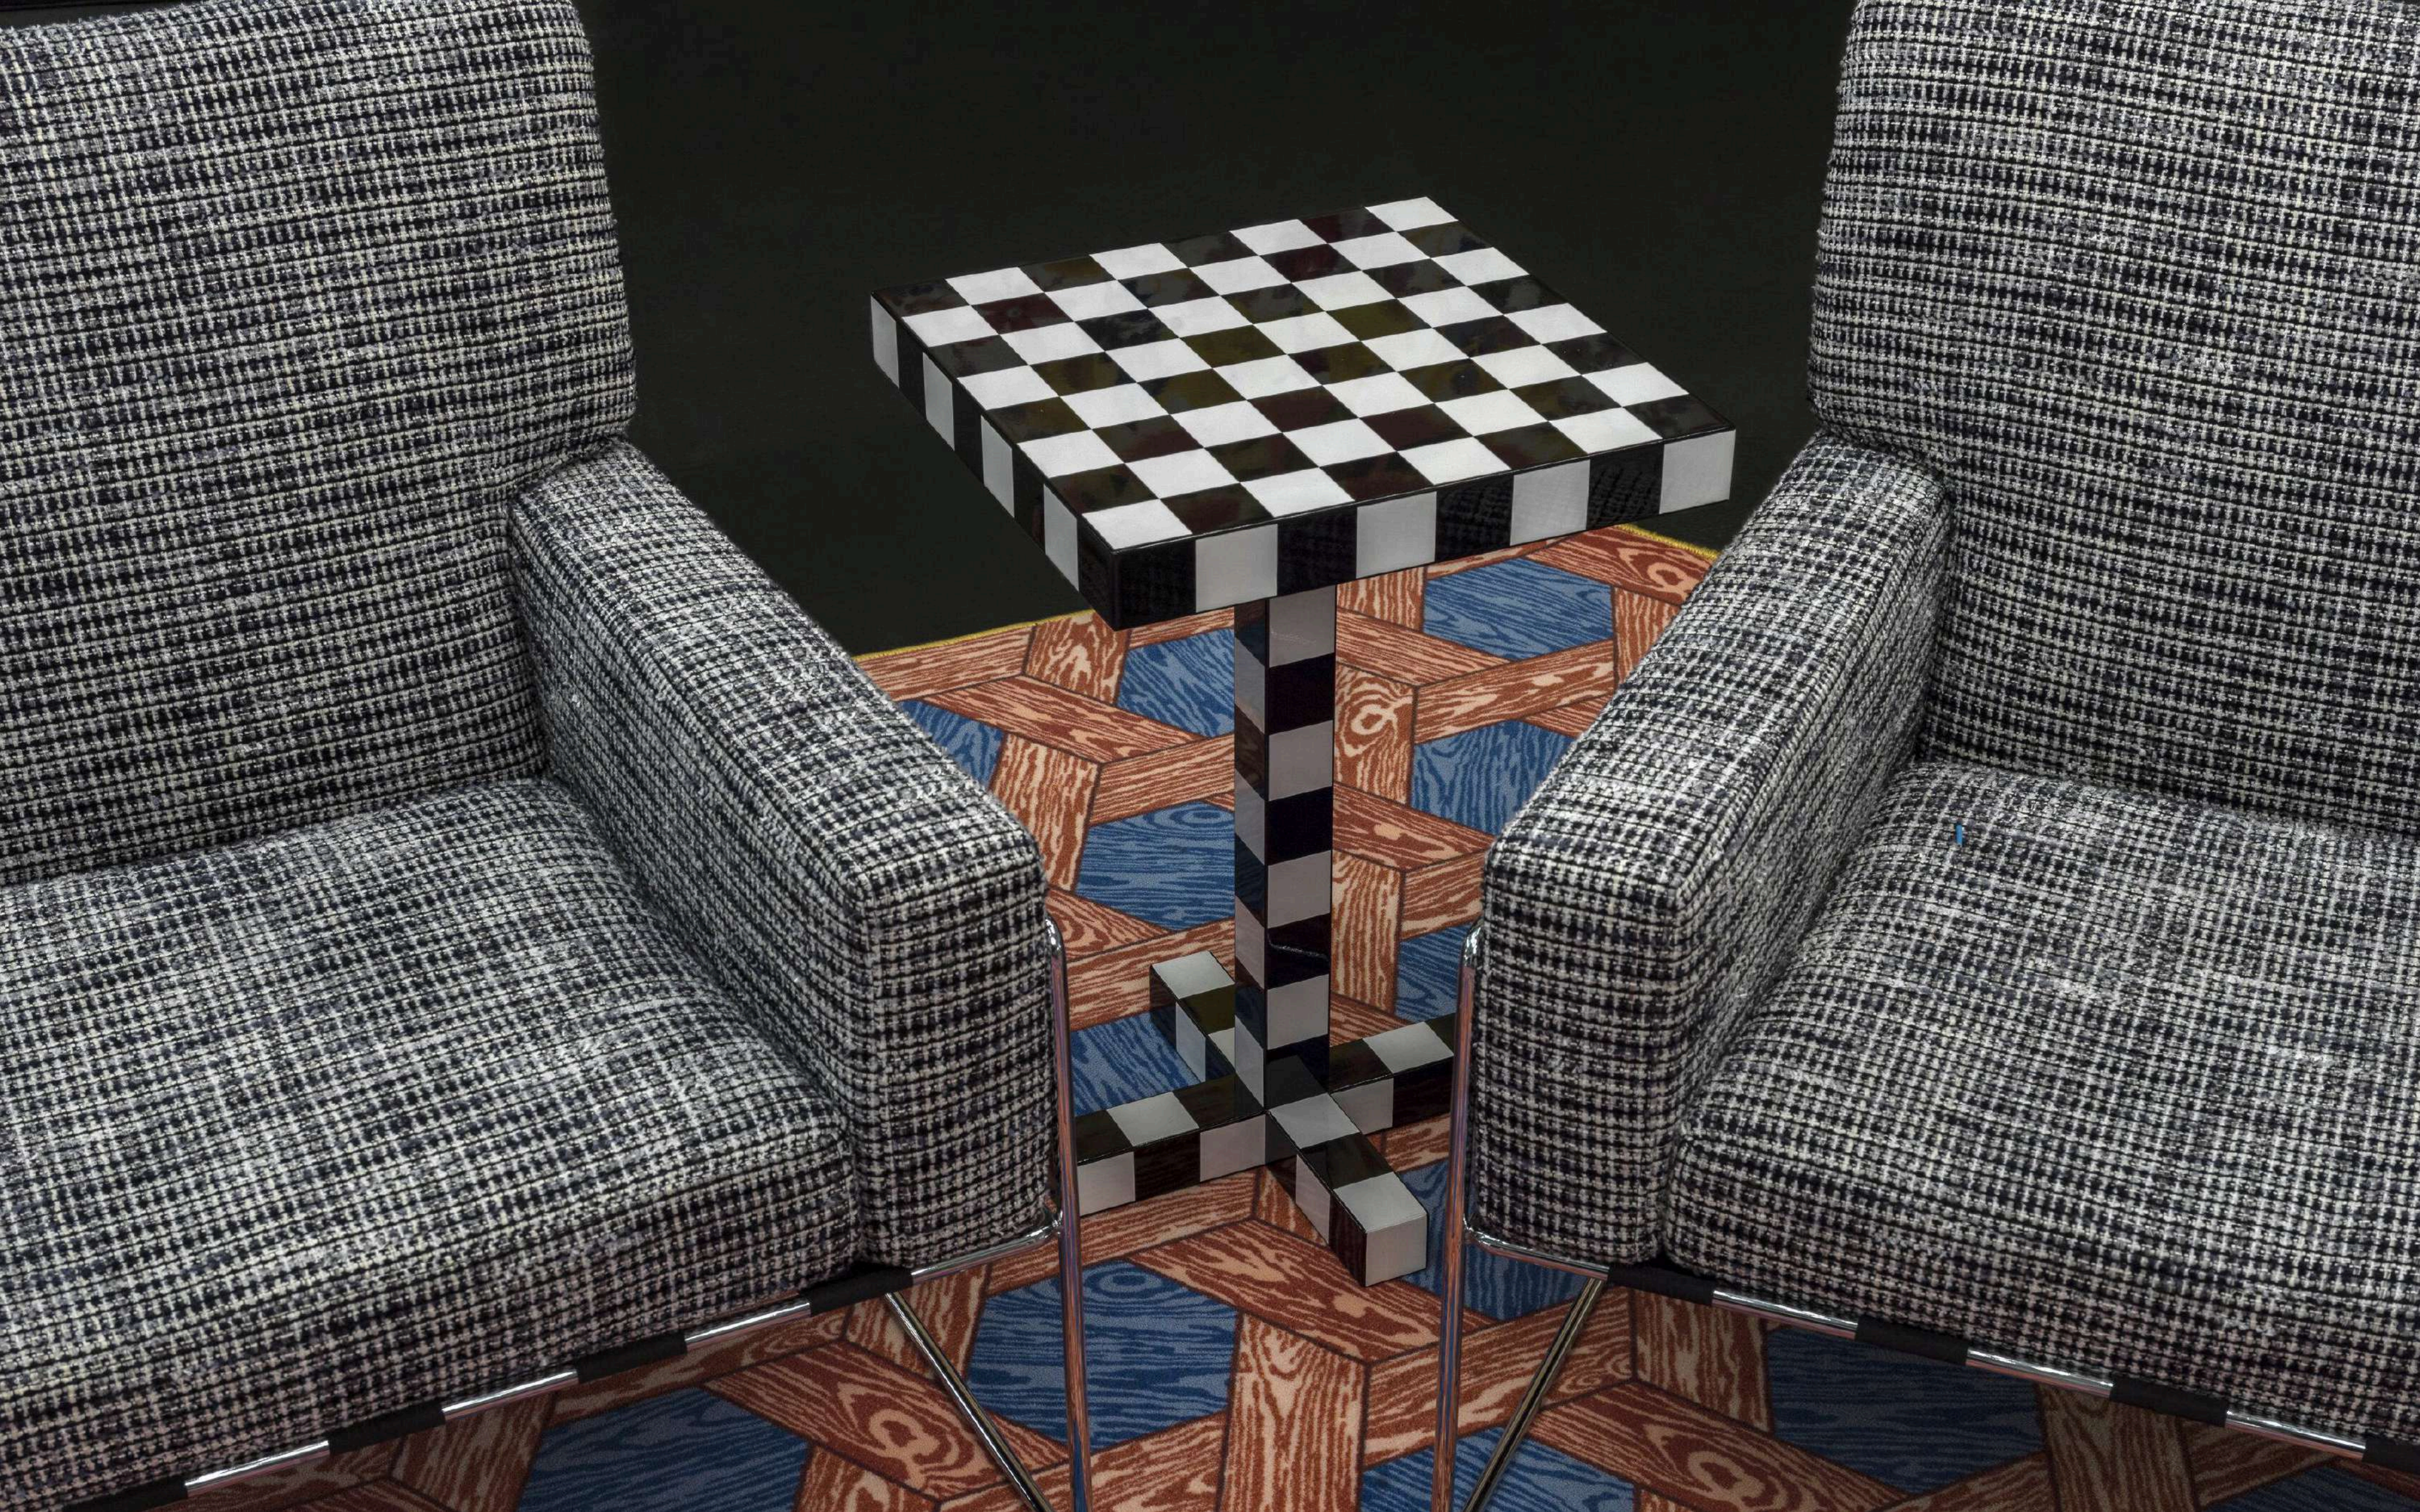

Common Comrades

BY NERI AND HU

A clever personification of the simplicity of country life, where everybody knows 'who' you are and 'what' you do, the Common Comrades table family amuses us with its utilitarian simplicity & honest soul.

Chess Table

BY FRONT

The Chess Table is a table for pasttime, rivalry and cleverness. Some people cannot stand their loss, some people should not win. However, a checkmate is always unavoidable!

Pig Table

BY FRONT

Oink, oink! Meet the Pig Table: the table that thinks it's a pig. This proud big girl certainly didn't buy her hospitality license at the corner store — she definitely knows what she's doing. Isn't she extraordinarily adorable?
